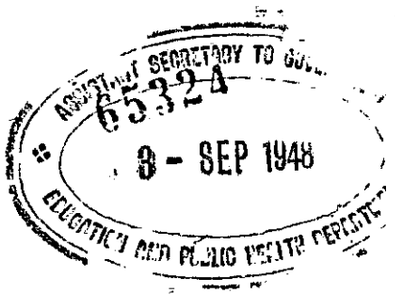
To

The Honourable the Minister for Health,
Government of Madras,
Madras.



Humble representation submitted b P.Mahabala Shetty, son of Koraga Shetty, Attavar, Mangalore Town.

Dated 23-8-1948.

Honoured Sir,

The petitioner is the owner of T.S.No.47/1 of the 19th Ward of the Mangalore Municipality. Petitioner's father, the deceased Koraga Shetty had constructed a building T.S.No. 47/1-1 in the year 1941-42 duly submitting his application for the issue of a licence for the proposed construction. Anticipating the issue of the licence he began and completed the extension of the building. The licence applied for was refused as the proposed building contravened the Falnir Town Planning Scheme. The deceased Koraga Shetty was during his lifetime prosecuted and fined for constructing the building without licence. The property in question is now owned by the petitioner after the death of Koraga Shetty.

P217/(M)

The Mangalore Municipality has again in its C3-No.409/48 issued a notice under Section 44(B) (1) of the Madras Town Planning Act calling upon the petitioner to demolish the unauthorised portion of the building.

Petitioner begs to submit that the demolition of the building would be a heavy loss to him to the tune of not less than Rs.3000/-.—The building has been standing in the said site for the last 6 or 7 years. The road in front of the building is 58 feet wide, including the road margin. Even a high road can easily be constructed with the available width. The only offence of the deceased father of the petitioner is that he had constructed the building without leaving 5 ft. space from the road margin according to the Town Planning Scheme.

The Falnir Town Planning Scheme has not yet materialised. The building is in a out of the way and remote corner of Mangalore Town. In case it is found at any time that the building is an obstruction petitioner is willing to execute a bond undertaking to demolish the same on notice, and this would be necessary only when the Falnir Town Planning Scheme is actually worked out.

Wherefore petitioner prays that, the Honourable The Minister for Health may be pleased to exempt the building T.S.No.47/1-1 of the 19th Ward of the Mangalore Municipality from the operation of the Falnir Town Planning Scheme for which act of justice, petitioner shall be beholden as in duty bound.

P. Mahabala Shetty

Petitioner.

Forwarded to Government with the following remarks:-

The case is one where the party extended his building in the front open space required to be left under clause 15 (h) of the Falnir Town Planning Scheme although the license for the extension was definitely refused by the responsible authority.

2/ The Town Planning Committee in its resolution dated 29.9.44 resolved that exemption applied for by the party may not be granted as it would conflict with the scheme and that the demolition of the objectionable portion be deferred till the scheme is actually taken up for execution. This department has declined to relax the provisions of the scheme in the first instance in L.Dis.991/43 dated 23.6.43 and again declined to reconsider the said orders in L.Dis. 2145/dated 15.1.45. Copies of this office orders L.Dis.991/43 dated 23.6.43 are enclosed herewith for information of Government while the responsible authority has refused permission for the structure, it was not in order, to have allowed the objectionable portions of the building to remain until a future date and to defer the demolition of the same until such time when the scheme is taken up for execution in as much as the execution of the scheme had commenced from the date of sanction of the scheme and its provisions had become fully operative.

Government may therefore decline to interfere in the matter. ~~The responsible~~ authority must take suitable action under sections 19 and 44-B of the Town Planning Act read with clause 23 of the scheme.

O R D E R.

It is observed that the party has extended his building in the open space required to be left under provision of clause 15 (f) of the Falnir Town Planning Scheme sanctioned by Government, although licenc for such exemption was definitely refused by the responsible authority in his order C4.756/42 dated 11.2.1942. It is also not in the public interest and conducive to the efficient operation of the Town Planning Scheme to permit any extension of building over the space specifically required to be kept as open space with a condition that the party should remove the extended portion at his cost whenever called upon by the Council to do so.

No reduction in the width of the Nandigudda road or in the distance between building lines specified in the Scheme is permissible under clause 9 (a) of the Scheme. The 50 feet width for the road and 60 feet distance between building lines subject to minimum set back of building of 5 feet as specified in clause 15 (f) of the scheme should be observed.

The request for exempting the building from the operation of the provisions of the scheme is therefore refused.

Sir,

Sub:- Building - Mangalore Municipality - Construction in T. S. No.47-1 of Ward No.19 - by Koraga Shetty - Exemption from Falnir Town Planning Scheme Provisions - Particulars - Submitted.

Ref:- Government Memorandum No.65324-1 F2 P.H. dated 15-9-48.

One Mr. Koraga Shetty applied for licence for constructing extensions to the building T.S.No.47/2 of 19th ward within the Falnir Town Planning Scheme in his application dated 12-1-1942 and licence was refused in this office Roc.No.756/42 dated 11-2-1942 for the reason that the proposed construction contravend Rule No. 8 of the old Building Rules and clause 15 (h) of the Falnir Town Planning Scheme sanctioned in G. O. No.1631 L.S.G. dated 3-5-37. In spite of the refusal order the construction was completed and the deceased Koraga Shetty was prosecuted for the construction of the building without licence, under the provisions of the District Municipalities Act in C.C.No.486 of 1942 on the file of the Court of the First Class Bench of Magistrates. He was fined Rupee One in the case and further action was again proceeded with in the matter, the unauthorized construction having not been removed or regularised by a proper licence subsequent to the prosecution. The party thereupon preferred an appeal to the Director of Town Planning which was refused in Director of Town Planning's L.Dis.No.991/43 dated 30-6-43 holding that it is not in the public interest and conducive to permit any extension of building over the space specifically required to be kept as open space with a condition that the party should remove the extended portion at his cost whenever called upon by the Council to do so. During the pendency of the appeal Mr. Koraga Shetty died and the aforesaid refusal orders of the Director of Town Planning was communicated to his son Mr. Mahabala Shetty with a direction to remove the unauthorised construction under reference, on which Mr. Mahabla Shetty filed another appeal to the Director of Town Planning which was also declined in Director of Town Planning's proceedings L.Dis.B.A.No.2/45 dated 15-1-45. After further correspondence on the matter with the D.T.P. in accordance with instructions contained in L.Dis B.A. No. 552/45 dated 4-12-45 Provisional and Confirmation orders under section 19 of the Town Planning Act directing the demolition of the unauthorised building offending the scheme provisions dated 14-5-46 and 17-8-46 respectively. As the orders were not complied with prosecutions was launched upon against the party. In the course of prosecution it was found that the unauthorised building whose location had been described as 47/2 in the first application of Koraga Shetty and subsequent correspondence that ensued between the Municipality and Mr. Mahabala Shetty, in reality situated in T.S.No.47/1 bearing Municipal Number 47/1-1 of 19th ward and with the permission of the Court the charge sheet was amended accordingly. In C.C.No. 866/47 on the file of the Court of the Stationary Second Class Submagistrate the accused Mahabla Shetty was acquitted on the ground that a notice under section 44(B) of the Town Planning Act had not been issued to the party prior to the launching upon of the prosecution. In accordance with the opinion of the Public Prosecutor, Mangalore suggesting issue of fresh notice to the party under section 44(B) of the Town Planning Act, a fresh notice was accordingly issued to the party in this office C3.No.409/48 dated 20-7-48 on the resolution of the "Responsible Authority" in Council Resolution Nos.65 dated 3-7-48 and 51 dated 17-7-48 requiring the party to

P.T.O.

to demolish the unauthorised construction which was being permitted to continue knowingly by the party Mr. Mahabala Shetty in breach of the conditions of the sanctioned Scheme within one month from the date of receipt of the notice and the notice stands served on the party on 26-7-48. The party having failed to comply with the directions contained in the notice fresh charge sheet was drawn up and was under the stage of issue to the Municipal Standing Counsel when the Government Memorandum referred to above was received in the office and further action was deferred in the matter.

The connected Municipal files R.Dis.756/42 (containing 52 pages and note file 2 pages), R.Dis.286/43 (containing 28 pages) and the current file C3-No.409/48 (containing 221 pages) are enclosed herewith as directed in the Government Memorandum referred to above.

The enclosure received along with the Government memorandum is also enclosed herewith.

I request early orders of Government in the matter.

2. One Sri Koraga Shetty applied to the Commr. Mangalore Mpty for permission to put up extensions to the building in T.S.No.47/1 of the 19th ward, which lies within the Falneer Town Planning Scheme area. The Commissioner refused to grant the permission for the following reasons:-

p13 cf

M1

p17/P

(1) Rule 8 of the old Building Rules was infringed as no space was left between the road edge and the proposed extension

(2) The roof of the proposed building would be an encroachment on the municipal land and;

(3) Five feet space was not left from the road margin as required under clause 15(h) of the Falneer Town Planning Scheme.

p13 cf

Inspite of the refusal order of the ~~Commr~~ Commissioner, the party completed the construction. He was fined one rupee in the Bench Court for the offence. On an appeal from the party, the D.T.P. refused to exempt the building from the operation of the Falneer T.P.Scheme. The Director held that it was not in the public interest and conducive to the efficient operation of th T.P.Scheme to permit any extension of building over the space specifically required to be kept as open space. At that time Sri Koraga Shetty died and the Director's orders were communic ted to his son, Sri Mahabala Shetty with a direction to remove the unauthorised construction. The latter appealed to the D.T.P. who again rejected the appeal. Thereafter the Commr. issued notice under section 19 of the T.P.Act directing the party to demolish the unauthorised construction and it was lat

n confirmed. As the orders were not complied with, prosecution s being launched against the party under section 44-B of the .P.Act. The party has now appealed to the Government against the rders of the commissioner directing him to remove the unauthorisec onstruction.

2. The Director has suggested that the Govt. may decline to ~~interfere~~ intervene in the matter. In view of the fact that the matter s being taken to a Court of law, it does not seem that the ovt. need interfere in the matter. The petitioner may be nformed that the Govt. decline to interfere in the matter. ubject to orders a draft order is submitted for approval.

No. C3-No.409/48 dated 24th September, 1949.

Sir,

Sub: Building - Mangalore Municipality - Construction of additions to building in T.S. No. 47-1 of Ward No. 19 - within Falneer T.P.Scheme - offending clause 15 (h) of the T.P.Scheme - Condonation - Requested.

Ref: G.O. No. Ms. 2008 P.H. dated 2-6-1949. PP19-20 (M)

In the case under reference one Mr. Koraga Shetty had constructed in the year 1942 additions to an existing building in T.S. No. 47-1 of 19th ward within Falneer Town Planning Scheme sanctioned in G.O. No. 1631 L.S.G. dated 3-5-1937 in spite of a refusal order from the municipality on the ground that the additional construction offended clause 15 (h) of the Town Planning Scheme. The matter was proceeded with further. Consequent on the death of the aforesaid Koraga Shetty, further action was taken up against his son Sri Mahabala Shetty, who had inherited the property as explained in detail in this office letter to Government C3-No.409/48 dated 13-10-48 on which the Government was pleased to pass orders in G.O. No. 2008 P.H. dated 2-6-49 that they decline to interfere in the matter. Subsequent to the receipt of the orders of Government the party was again required to demolish the aforesaid unauthorised construction, on which the party in his petition dated 14-7-49 applied again for reconsideration of the orders. The matter was considered by the Council and in view of the circumstances that the party who had constructed the building is dead and that the matter had been prolonging for the last so many years and in view of the fact that the additions as constructed does adversely affect the scheme proposals, the Council in its resolution No. 2 dated 29-8-49 has resolved recommending the case for condonation by Government.

The building under reference was also inspected by the Joint Director of Town Planning, Madras during his camp at this place in May 1949.

In enclosing herewith the connected files - R.Dis. 756/42, R.Dis. 286/43 and current file C3-No.409/48 containing 252 pages, I request that the Government may be pleased to pass orders condoning the unauthorised construction made in the front portion of the building T.S. No. 47/1-1 of 19th ward, as recommended by the Council.

Building - Mangalore Municipality - Construction of a building ~~in~~

One Sri Koraga Shetty constructed additional portions ~~to~~ a building in violation of clause 15 (h) of the sanctioned Falneer Town-Planning Scheme, Mangalore. The construction also contravened a provision of the Building Rules and the roof of the building encroached on the Municipal land. The party was prosecuted in the Bench Court and he was fined one rupee for the ~~offence~~. On an appeal from the party, the D.T.P. refused to exempt the building from the operation of clause 15 (h) of the T.P. Scheme. Meanwhile Sri Koraga Shetty died and his son Sri Mahabala Shetty again appealed to the D.T.P. to exempt the building from the operation of the provision in the scheme. This appeal was also rejected by the D.T.P. As the party did not take any action to remove the construction, the Commr., instituted action under section 44-B. of the T.P. Act. The party then appealed to the Govt. against the Commr.'s orders to remove the construction. Govt. in G.O.No.2008 P.H. dp 2.6.49, declined to interfere in the matter. On a further appeal from the party, the council has resolved that in view of the fact that the party who had constructed the building is dead, that the matter has been pending for many years and that the additions to the building do not adversely affect the proposals in the scheme, Govt. may condone the irregularity in the construction of the building.

~~The Commr., has stated that the Joint D.T.P. inspected the building in May 1949. But~~ The D.T.P. has now remarked that he sees no reason to reconsider the previous orders. He has also recommended that the

sponsible authority may be directed to take steps to demolish the unauthorised construction. In the circumstances it is for orders whether the Govt. may decline to reconsider the previous orders in the matter and instruct the Ml. Commr. to take necessary action against the party.
